Thank
You

The Department of Computer Science is grateful for the shared expertise and support of its CS|Source Members at the Stakeholder, Partner, and Associate levels.

In 2022, CS|Source provided more than \$100,000.00 in student support scholarships.

In addition, CS|Source funds provide annual support to Student Groups affiliated with the Department of Computer Science.

For more sponsorship opportunities throughout the year, please visit the CS|Source website at
